

para.hh

```
graph TD; para[para.hh] --> string[string]; para --> iostream[iostream];
```

A diagram illustrating a dependency relationship. At the top is a gray rectangular box labeled 'para.hh'. Two blue arrows originate from the bottom edge of this box. The left arrow points diagonally down and to the left to a white rectangular box labeled 'string'. The right arrow points diagonally down and to the right to a white rectangular box labeled 'iostream'. All boxes have a thin black border.

string

iostream
